Archery shooters association facebook

The Indoor Shooting Facility is located in the Rawlins Family Recreation Center. Open from November 1 to April 30, the range consists of 8 fire lanes that allow weapons to be unloaded at speeds of up to 2,000 feet per second. INDOOR RANGE IS OPENThe automated target retrieval system works with individual target control units at each firing position, allowing the shooters to independently control their track. The system also supports a master control unit for league and tournament games. Open shooting is encouraged. Targets, ammunition and safety equipment are available for sale or use within the range. There are pistols and .22 rifles for hire. Please call on Friday as the Jr. Rifle Program may affect shooting times. 307-324-7529The Outdoor Shooting Complex is located north of Rawlins and offers the shooter a variety of possibilities. 10 pistol bays with different targets, shooting ranges for short range shooting and long-range shooting, skewer, trap, 5 stand and archery with shooting range and 3 D targets. Leagues, tournaments and special events take place. The ranges are funded in part by grants and donations from Williams, Friends of the NRA, Wyoming State Shooters Association and private donations. Outdoor Range Contact 307-710-0148 OUTDOOR RANGE IS CLOSED FOR SEASONRange membership for indoor and outdoor use. Daily Fees 6, 3 Junior/SeniorTuesday to Friday 2 am to 8 pmSaturday 7am to 3pmSunday &Monday ArcheryRange Closed May 1 to October 31Tuesday - Friday 2pm to sunsetSaturday &Sunday - 9am to sunsetClosed November 1 to April 30 Twenty-Twenty, which is far from over, was a year for the record books. This year presented challenges for our shooting community that could not have been imagined. Personally, I'm still waiting for the Cat 6 hurricane and supervolcano to come to an end this year. The NFAA/OAA archery community and friends have strengthened this year and shown their love and support for the sport. Even though we had to cancel the Flint Round, a personal favorite, we still had a great visit to all our events. We can only say thank you for this support. The reason we all work so hard to run this organization and these events is because of you. We love that the OAA shooters work so hard to get better and compete, from the smallest peewees who are so busy, to our master senior shooters, who personally give us all hope that we're still shooting into our 80s. Each of you is important and we are proud of your commitment to the events in the difficult and unprecedented circumstances that presented this year. We hope that your 2020 will end quietly without further hardships, and that 2021 will be a better year that is more normal – a year in which each of us depends only on how many X's can score and how we can explain this new bow purchase to our significant others. Stay healthy and have a safe safe and winter. It won't be long before we publish our 2021 event schedule. Visit our members' area for ONLINE membership registration information! This includes new memberships and membership renewals that can now register and pay online! Have you ever thought about connecting your club/shop to OAA? There are many advantages. Take a second and click on this link to read what it takes to become an affiliated club and the benefits for you shop or club. Have you ever thought about sponsoring an OAA tournament? There are several ways to sponsor one of our four nationwide events. This link contains all the information about individual event and archery season sponsors. With our tournament participation growing at over 32% each year, this is a great way to reach serious archers and help an organization that has been promoting archery in Ohio since 1889.
